A separate section on Corporate Governance, along with a Certificate from the Statutory Auditors confirming compliance and also a Confirmation from the CEO is annexed and forms part of the Annual Report.

7. RISK MANAGEMENT AND ADEQUACY OF INTERNAL FINANCIAL CONTROLS:

Even though it is not mandatory, the Company has constituted a Risk Management Committee which has been entrusted with the responsibility to assist the Board in approving the Company's Risk Management Framework and overseeing all the risks that the organization faces such as strategic, financial, liquidity, security, regulatory, legal, reputational and other risks that have been identified and assessed to ensure that there is a sound Risk Management Policy in place to address such concerns/risks. The Risk Management process covers risk identification, assessment, analysis and mitigation. Incorporating sustainability in the process also helps to align potential exposures with the risk appetite and highlight risks associated with chosen strategies.

The Audit Committee has additional oversight in the area of financial risks and controls. Major risks identified by the business and functions are systematically addressed through mitigating actions on a continuing basis.

The Board has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures.

8. POLICY ON SEXUAL HARASSMENT OF WOMEN AT WORKPLACE:

The Company has zero tolerance towards sexual harassment at the workplace and to this end, has adopted a policy in line with the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules thereunder. All employees are covered under the said Policy. An Internal Complaints Committee (ICC) has also been set up to redress complaints received on sexual harassment.

During the financial year under review, the ICC received no complaint in regards to the same. No cases of child labour, forced labor, involuntary labour and discriminatory employment were reported during the period. The Company is committed to providing a safe and conducive work environment to all its employees and associates.

9. WHISTLE BLOWER POLICY:

The Company has adopted a Whistle Blower Policy to provide a formal mechanism to the Directors and Employees to report their concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct. The Policy provides for adequate safeguards against victimization of employees, who avail of the mechanism and provides to employees direct access to the Chairman of the Audit Committee. It is affirmed that no personnel of the Company have been denied access to the Audit Committee. The Whistle Blower Policy has been posted on the website of the Company at (www.mohite.com/InvestorsRelations/CorporateGovernance).

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Mohite Industries Limited

R.S. NO. 347, Ambapwadi Phata, N.H. 4, Vadgaon, Kolhapur -416112

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Mohite Industries Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2025 (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Mohite Industries Limited ("the Company") for the Financial Year ended on 31st March 2025 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not applicable during Audit Period)
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

INDEPENDENT AUDITORS' REPORT

To the Members of

Mohite Industries Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Mohite Industries Limited** ("the Company"), which comprise the standalone balance sheet as at 31st March 2025, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and profit and other comprehensive income, changes inequity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the **Auditor's Responsibilities for the Audit of the Standalone Financial Statements** section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have nothing to report in this regard.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B to the Independent Auditors' Report on the Standalone Financial Statements

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to financial statements of Mohite Industries Limited (“the Company”) as of 31st March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as “the Act”).

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with the ICAI requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls

operated effectively in all material respect our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

2 Significant accounting policies

I. Basis of Preparation :

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed by Ministry of Corporate Affairs under Companies (Indian Accounting Standards) Rules, 2015, provisions of the Companies Act, 2013, to the extent notified and pronouncements of the Institute of Chartered Accountants of India.

Disclosures under Ind AS are made only in respect of material items and in respect of the items that will be useful to the users of financial statements in making economic decisions.

The Financial Statements for the year ended 31st March 2025 (including comparatives) are duly adopted by the Board on 30th May, 2025 for consideration and approval by shareholders.

II. Summary of Accounting Policies :

1. Overall Considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

2. Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable and net of returns, trade allowances and rebates and amounts collected on behalf of third parties. It excludes excise duty, Value Added Tax, Sales Tax, Service Tax and GST.

i) Sale of Products:

Revenue from sale of products is recognised when significant risks and rewards of ownership pass to the customers, as per the terms of the contract and when the economic benefits associated with the transactions will flow to the Company.

ii) Interest Income:

Interest incomes are recognized using the time proportion method based on the rates implicit in the transaction. Interest income is included in other income in the statement of profit and loss.

3. Property, Plant and Equipment

Freehold Land is stated at historical cost. All other items of Property, Plant and Equipment are stated at cost of acquisition/construction less accumulated depreciation/amortization and impairment, if any.

Cost includes:

- a) Purchase Price
- b) Taxes and Duties
- c) Labour cost and
- d) Directly attributable overheads incurred up to the date the asset is ready for its intended use. However, cost excludes excise duty, value added tax, service tax, and GST to the extent credit of the duty or tax is availed of. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.³

ii) **Component Accounting:**

The component of assets are capitalized only if the life of the components vary significantly and whose cost is significant in relation to the cost of the respective asset, the life of the component in assets are determined based on technical assessment and past history of replacement of such components in the assets. The carrying amount of any component accounted for as separate asset is derecognized when replaced.

iii) **Other Cost:**

All other repairs and maintenance cost are charged to the statement of profit and loss during the reporting period in which they are incurred. Profit or Losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Profit and Loss within other income/ (loss).

iv) **Depreciation and Amortization:**

- a) Depreciation is recognized on a straight-line basis, over the useful life of the buildings and other equipment as prescribed under Schedule II of the Companies Act, 2013.
- b) Depreciation on tangible fixed assets is charged over the estimated useful life of the asset or part of the asset as evaluated on technical assessment on straight line method, in accordance with Part A of schedule II to the Companies Act, 2013
- c) On tangible fixed assets added/disposed off during the year, depreciation is charged on pro-rata basis for the period for which the asset was purchased and used

4) **Impairment:**

At each Balance Sheet date, the Management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the statement of profit and loss.

5) **Financial Assets classification and subsequent measurement of Financial Assets :**

i. **Trade Receivables**

The Company follows 'simplified approach' for recognition of impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

ii. **Derecognition of Financial Assets**

A financial asset is derecognised only when;

- a) The Company has transferred the rights to receive cash flows from the financial asset or
- b) The Company retains the contractual rights to receive the cash flows of the financial asset, but expects a contractual obligation to pay the cash flows to one or more recipients.

There are no such de-recognitions.

6) **Financial Liabilities:**

Classification, subsequent measurement and de-recognition of Financial Liabilities

a. **Classification**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortized cost. The Company's financial liabilities include borrowings & trade and other payables.

b. **Subsequent Measurement**

Financial liabilities are measured subsequently at amortized cost using the effective interest method. All interest related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

7) **Inventories**

Inventories are valued at lower of cost or net realizable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Cost is ascertained on weighted average basis in accordance with the method of valuation prescribed by the Institute of Chartered Accountants of India.

i. **Raw Materials**

Raw materials are valued at cost of purchase, net of duties (credit availed w.r.t taxes and duties) and includes all expenses incurred in bringing the materials to location of use.

ii. Work-in-Process and Finished Goods

Work-in-process and finished goods include conversion costs in addition to the landed cost of raw materials.

iii. Stores and Spares

Stores, spares and tools cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

8) Income Taxes

Tax expense recognized in the statement of profit or loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method on temporary differences between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at reporting date.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available to realise such assets. In other situations, deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realise these assets.

9) Post-Employment Benefits and Short-Term Employee Benefits

i. Short Term Obligations :

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

ii. Other Long Term Employee Benefits Obligations :

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service. They are, therefore, recognised and provided for at the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii. Post-Employment Obligation:

The Company operates the following post-employment schemes:

- a) Defined contribution plan such as Gratuity & Provident Fund

Gratuity Obligation :

The company has created The Employees Group Gratuity fund which has taken gratuity cum life insurance policy from LIC of India. Premium on said policy is calculated by LIC & Conveyed to us on the basis of Project unit credit Method. The same is accounted for in books of accounts.

Provident Fund:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees salary. The provident fund contributions are made to EPFO.

Bonus Payable :

The Company recognises a liability and an expense for bonus. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

10) Provisions and Contingent Liabilities

i. Provisions:

A Provision is recorded when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

ii. Contingent Liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Following are the Contingent Liabilities which are not accounting for in books of account.

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

III) Significant accounting judgements, estimates and assumptions

(1) Significant Management Judgement

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(2) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described hereinafter. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, may however effect changes due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

a) Useful lives of property, plant and equipment

The Company reviews the useful lives of Property, Plant and Equipment and Investment properties at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

c) Taxes

"The Company's tax jurisdictions are in India. Significant judgments are involved in determining the provision for income taxes, tax credits including the amount expected to be paid or refunded.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that future taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies."

7 Impairment of property, plant and equipment, other intangible assets and right to use of assets

At the end of each reporting year, the Company reviews the carrying amounts of its property, plant and equipment, other intangible assets and right to use of assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified. Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least a ually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

Company for the year ended March 31, 2024, has not carried out a specific exercise to determine the impairment losses if any since in the opinion of the management, given the growth phase the Company is expecting on the basis of subsequent business orders on hand, there exist no impairment losses.

34 Fair value measurements

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are measured at amortized cost and for which values are disclosed in the financial statements. The company does not have any financial instruments that need to be recognized and measured at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

a) Financial instruments at amortized cost hierarchy

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the Ind AS as outlined in the table below:

(₹ In Lakhs)

Financial Assets			
Loans and advances			
Trade receivables	3	3,083.11	3,022.00
Cash and cash equivalents	1	89.55	181.11
Bank balances other than cash and cash equivalents above	1	-	-
Other financial assets	3	166.86	33.27
Total financial assets		3,339.52	3,236.38

Financial liabilities			
Borrowings	3	8,177.47	8,446.76
Lease liabilities	3	-	-
Trade payables	3	47.55	63.64
Other financial liabilities	3	-	-
Total financial liabilities		8,225.02	8,510.40

Note –

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in active markets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. The fair value of the above financial assets and liabilities are measured at amortized cost which is considered to be approximate to their fair values.

b) Fair value of financial assets and liabilities measured at amortized cost (refer note (i) below)

(₹ In Lakhs)

Security Deposits			
Carrying value		-	-
Fair value		166.94	33.27

i) The carrying amounts of trade payable, unbilled revenue, loans other than security deposits, financial assets, financial liabilities, capital creditors and cash & cash equivalents are considered to be the same as their fair values, due to their short-term nature.

ii) The fair value for security deposits are provided based on the cash flow discounted using current deposit rate.

35 Financial risk management

- Credit risk
- Interest risk
- Liquidity risk
- Market risk

The company's management has the overall responsibility for establishing and governing the company's risk management and have established policies to identify and analyse the risks faced by the company.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at cost	Aging analysis & Credit rating	Diversification bank balances, customers credit analysis and monitoring of credit limits.
Liquidity risk	Other liabilities	Rolling of cash flow forecasts including maturity analysis	Maintain sufficient cash /cash equivalents
Market risk - foreign exchange	Future commercial transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	"Cash flow forecasting Sensitivity analysis"	No major transactions anticipated under this category and settlement of foreign transactions undertaken and settled on an immediate basis.

a) Credit Risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing activities including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Reconciliation of loss allowance provision – trade receivable and other financial assets is as follows:

Particulars	Trade receivable	Other financial assets/loans
Loss allowance as on March 31, 2024	-	-
Loss allowance as on March 31, 2025	-	-

Deposits with banks

Credit risk is limited as the company generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investments in long and short term deposits. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

b) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Company's borrowings of long term, short term and working capital are directly related to the cash in flow of the company and hence is not exposed to significant interest rate risk.

c) Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

d) Market risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exchange risk arises from its foreign currency ('FC') revenues and expenses, (primarily in United States Dollars ('USD')). The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency). Since few years company is selling its product in domestic market hence the risk of Foreign Currency is at minimal level

During the year, the company has not taken any hedging instruments to hedge its foreign currency exposures.

36 Capital Management

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other long-term or short-term borrowings. The Company's policy is aimed at combination of short-term and long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

Total borrowings includes all long and short-term borrowings as disclosed in note - 18 to the financial statements. Equity comprises all components excluding (profit)/loss on cash flow hedges. The following table summarises the capital of the Company:

Particulars	March 31, 2025	March 31, 2024

INDEPENDENT AUDITORS' REPORT

To the Members of
Mohite Industries Limited

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Mohite Industries Limited (hereinafter referred to as the “Holding Company”) and its subsidiary (Holding Company and its subsidiary together referred to as “the Group”), which comprise the consolidated balance sheet as at 31st March 2025, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditor on separate financial statements of such subsidiary as were audited by the other auditor, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March 2025, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements** section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the “Other Matters” paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have nothing to report in this regard.

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the holding Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Standalone Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective management and

Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of a subsidiary; whose financial statements reflect total assets of 7798.24 lakhs as at 31st March 2025, total revenues of 3214.97 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the audit report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

Annexure A to the Independent Auditors' report on the standalone financial statements

Mohite Industries Limited for the year ended 31st March 2025

Report on the internal financial controls with reference to financial statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph (A-f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2025, we have audited the internal financial controls with reference to consolidated financial statements of Mohite Industries Limited (hereinafter referred to as "the Holding Company") and such company incorporated in India under the Companies Act, 2013 which is its subsidiary company, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary company in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial controls with Reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to a subsidiary company, which is company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

Opinion

In our opinion, the Holding Company and such company incorporated in India which is its subsidiary company, have in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

2 Significant accounting policies

I. Basis of Preparation :

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed by Ministry of Corporate Affairs under Companies (Indian Accounting Standards) Rules, 2015, provisions of the Companies Act, 2013, to the extent notified and pronouncements of the Institute of Chartered Accountants of India. Disclosures under Ind AS are made only in respect of material items and in respect of the items that will be useful to the users of financial statements in making economic decisions.

The Financial Statements for the year ended 31 March 2025 (including comparatives) are duly adopted by the Board on 30th May, 2025 for consideration and approval by shareholders.

II. Summary of Accounting Policies :

1. Overall Considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

2. Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable and net of returns, trade allowances and rebates and amounts collected on behalf of third parties. It excludes excise duty, Value Added Tax, Sales Tax, Service Tax and GST."

i) Sale of Products:

Revenue from sale of products is recognised when significant risks and rewards of ownership pass to the customers, as" per the terms of the contract and when the economic benefits associated with the transactions will flow to the Company.

ii) Interest Income:

Interest incomes are recognized using the time proportion method based on the rates implicit in the transaction. Interest income is included in other income in the statement of profit and loss.

3. Property, Plant and Equipment

Freehold Land is stated at historical cost. All other items of Property, Plant and Equipment are stated at cost of acquisition/construction less accumulated depreciation/amortization and impairment, if any.

Cost includes:

- a) Purchase Price
- b) Taxes and Duties
- c) Labour cost and
- d) Directly attributable overheads incurred up to the date the asset is ready for its intended use. However, cost excludes excise duty, value added tax, service tax, and GST to the extent credit of the duty or tax is availed of. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

ii) **Component Accounting:**

The component of assets are capitalized only if the life of the components vary significantly and whose cost is significant in relation to the cost of the respective asset, the life of the component in assets are determined based on technical assessment and past history of replacement of such components in the assets. The carrying amount of any component accounted for as separate asset is derecognized when replaced.

iii) **Other Cost:**

All other repairs and maintenance cost are charged to the statement of profit and loss during the reporting period in which they are incurred. Profit or Losses on disposals are determined by comparing proceeds with the carrying amount. These are included in the Statement of Profit and Loss within other income/ (loss).

iv) **Depreciation and Amortization:**

- a) Depreciation is recognized on a straight-line basis, over the useful life of the buildings and other equipment as prescribed under Schedule II of the Companies Act, 2013.
- b) Depreciation on tangible fixed assets is charged over the estimated useful life of the asset or part of the asset as evaluated on technical assessment on straight line method, in accordance with Part A of schedule II to the Companies Act, 2013
- c) On tangible fixed assets added/disposed off during the year, depreciation is charged on pro-rata basis for the period for which the asset was purchased and used

4) **Impairment:**

At each Balance Sheet date, the Management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset. Reversal of impairment loss is recognised as income in the statement of profit and loss.

5) **Financial Assets classification and subsequent measurement of Financial Assets :**

i. **Trade Receivables**

The Company follows 'simplified approach' for recognition of impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

ii. **Derecognition of Financial Assets**

A financial asset is derecognised only when;

- a) The Company has transferred the rights to receive cash flows from the financial asset or
- b) The Company retains the contractual rights to receive the cash flows of the financial asset, but expects a contractual obligation to pay the cash flows to one or more recipients.

There are no such de-recognitions.

6) **Financial Liabilities:**

Classification, subsequent measurement and de-recognition of Financial Liabilities

a. **Classification**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or at amortized cost. The Company's financial liabilities include borrowings & trade and other payables.

b. **Subsequent Measurement**

Financial liabilities are measured subsequently at amortized cost using the effective interest method. All interest related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

7) **Inventories**

Inventories are valued at lower of cost or net realizable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Cost is ascertained on weighted average basis in accordance with the method of valuation prescribed by the Institute of Chartered Accountants of India.

i. **Raw Materials**

Raw materials are valued at cost of purchase, net of duties (credit availed w.r.t taxes and duties) and includes all expenses incurred in bringing the materials to location of use.

ii. Work-in-Process and Finished Goods

Work-in-process and finished goods include conversion costs in addition to the landed cost of raw materials.

iii. Stores and Spares

Stores, spares and tools cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

8) Income Taxes

Tax expense recognized in the statement of profit or loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method on temporary differences between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at reporting date.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

In the event of unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available to realise such assets. In other situations, deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realise these assets.

9) Post-Employment Benefits and Short-Term Employee Benefits

i. Short Term Obligations :

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

ii. Other Long Term Employee Benefits Obligations :

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service. They are, therefore, recognised and provided for at the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii. Post-Employment Obligation:

The Company operates the following post-employment schemes:

- a) Defined contribution plan such as Gratuity & Provident Fund

Gratuity Obligation :

The company has created The Employees Group Gratuity fund which has taken gratuity cum life insurance policy from LIC of India. Premium on said policy is calculated by LIC & Conveyed to us on the basic of Project unit credit Method. The same is accounted for in books of accounts.

Provident Fund:

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees salary. The provident fund contributions are made to EPFO.

Bonus Payable :

The Company recognises a liability and an expense for bonus. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

10) Provisions and Contingent Liabilities

i. Provisions:

A Provision is recorded when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

ii. Contingent Liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Following are the Contingent Liabilities which are not accounting for in books of account.

14) Borrowing Costs :

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

III) Significant accounting judgements, estimates and assumptions

(1) Significant Management Judgement

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(2) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described hereinafter. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, may however effect changes due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

a) Useful lives of property, plant and equipment

The Company reviews the useful lives of Property, Plant and Equipment and Investment properties at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

c) Taxes

The Company's tax jurisdictions are in India. Significant judgments are involved in determining the provision for income taxes, tax credits including the amount expected to be paid or refunded.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that future taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

5.2 During the current financial year and the preceding financial year, there are no Intangible assets under development which is overdue for completion or exceeded its cost compared to its original plan.

7 Impairment of property, plant and equipment, other intangible assets and right to use of assets

At the end of each reporting year, the Company reviews the carrying amounts of its property, plant and equipment, other intangible assets and right to use of assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

Company for the year ended March 31, 2024, has not carried out a specific exercise to determine the impairment losses if any since in the opinion of the management, given the growth phase the Company is expecting on the basis of subsequent business orders on hand, there exist no impairment losses.

34 Fair value measurements

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are measured at amortized cost and for which values are disclosed in the financial statements. The company does not have any financial instruments that need to be recognized and measured at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

a) Financial instruments at amortized cost hierarchy

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the Ind AS as outlined in the table below:

(₹ In Lakhs)

Financial Assets			
Loans and advances			
Trade receivables	3	4,859.43	3,999.47
Cash and cash equivalents	1	160.99	300.98
Bank balances other than cash and cash equivalents above	1	200.18	182.94
Other financial assets	3	166.86	33.27
Total financials assets		5,387.46	4,516.66

Financial liabilities			
Borrowings	3	11,506.24	13,459.71
Lease liabilities	3	-	-
Trade payables	3	794.19	700.07
Other financial liabilities	3	-	-
Total financials liabilities		12,300.43	14,159.77

Note –

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices in active markets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period. The fair value of the above financial assets and liabilities are measured at amortized cost which is considered to be approximate to their fair values.

b) Fair value of financial assets and liabilities measured at amortized cost (refer note (i) below)

(₹ In Lakhs)

Security Deposits			
Carrying value		-	-
Fair value		166.94	33.27

- i) The carrying amounts of trade payable, unbilled revenue, loans other than security deposits, financial assets, financial liabilities, capital creditors and cash & cash equivalents are considered to be the same as their fair values, due to their short-term nature.
- ii) The fair value for security deposits are provided based on the cash flow discounted using current deposit rate.

35 Financial risk management

- Credit risk
- Interest risk
- Liquidity risk
- Market risk

The company's management has the overall responsibility for establishing and governing the company's risk management and have established policies to identify and analyse the risks faced by the company.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at cost	Aging analysis & Credit rating	Diversification bank balances, customers credit analysis and monitoring of credit limits.
Liquidity risk	Other liabilities	Rolling of cash flow forecasts including maturity analysis	Maintain sufficient cash /cash equivalents
Market risk - foreign exchange	Future commercial transactions. Recognised financial assets and liabilities not denominated in Indian rupee (INR)	"Cash flow forecasting Sensitivity analysis"	No major transactions anticipated under this category and settlement of foreign transactions undertaken and settled on an immediate basis.

a) Credit Risk

Credit Risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities primarily trade receivables and from its financing activities including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

Reconciliation of loss allowance provision – trade receivable and other financial assets is as follows:

Particulars	Trade receivable	Other financial assets/loans
Loss allowance as on March 31, 2024	-	-
Loss allowance as on March 31, 2025	-	-

Deposits with banks

Credit risk is limited as the company generally invest in deposits with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investments in long and short term deposits. Counterparty credit limits are reviewed by the Company periodically and the limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

b) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate due to changes in market interest rates. The Company's borrowings of long term, short term and working capital are directly related to the cash in flow of the company and hence is not exposed to significant interest rate risk.

c) Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

d) Market risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exchange risk arises from its foreign currency ('FC') revenues and expenses, (primarily in United States Dollars ('USD')). The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency). Since few years company is selling its product in domestic market hence the risk of Foreign Currency is at minimal level

During the year, the company has not taken any hedging instruments to hedge its foreign currency exposures.

36 Capital Management

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other long-term or short-term borrowings. The Company's policy is aimed at combination of short-term and long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

Total borrowings includes all long and short-term borrowings as disclosed in note - 18 to the financial statements. Equity comprises all components excluding (profit)/loss on cash flow hedges. The following table summarises the capital of the Company:
